This is a book of facts
about some important
bones in our body
and animals bones
too. would you like to
know about all these
things ??? READ ON
IF YOU
DARE

This is a
poor little
girl how
broke
important
bones in
her body
LEG
BONES!!!

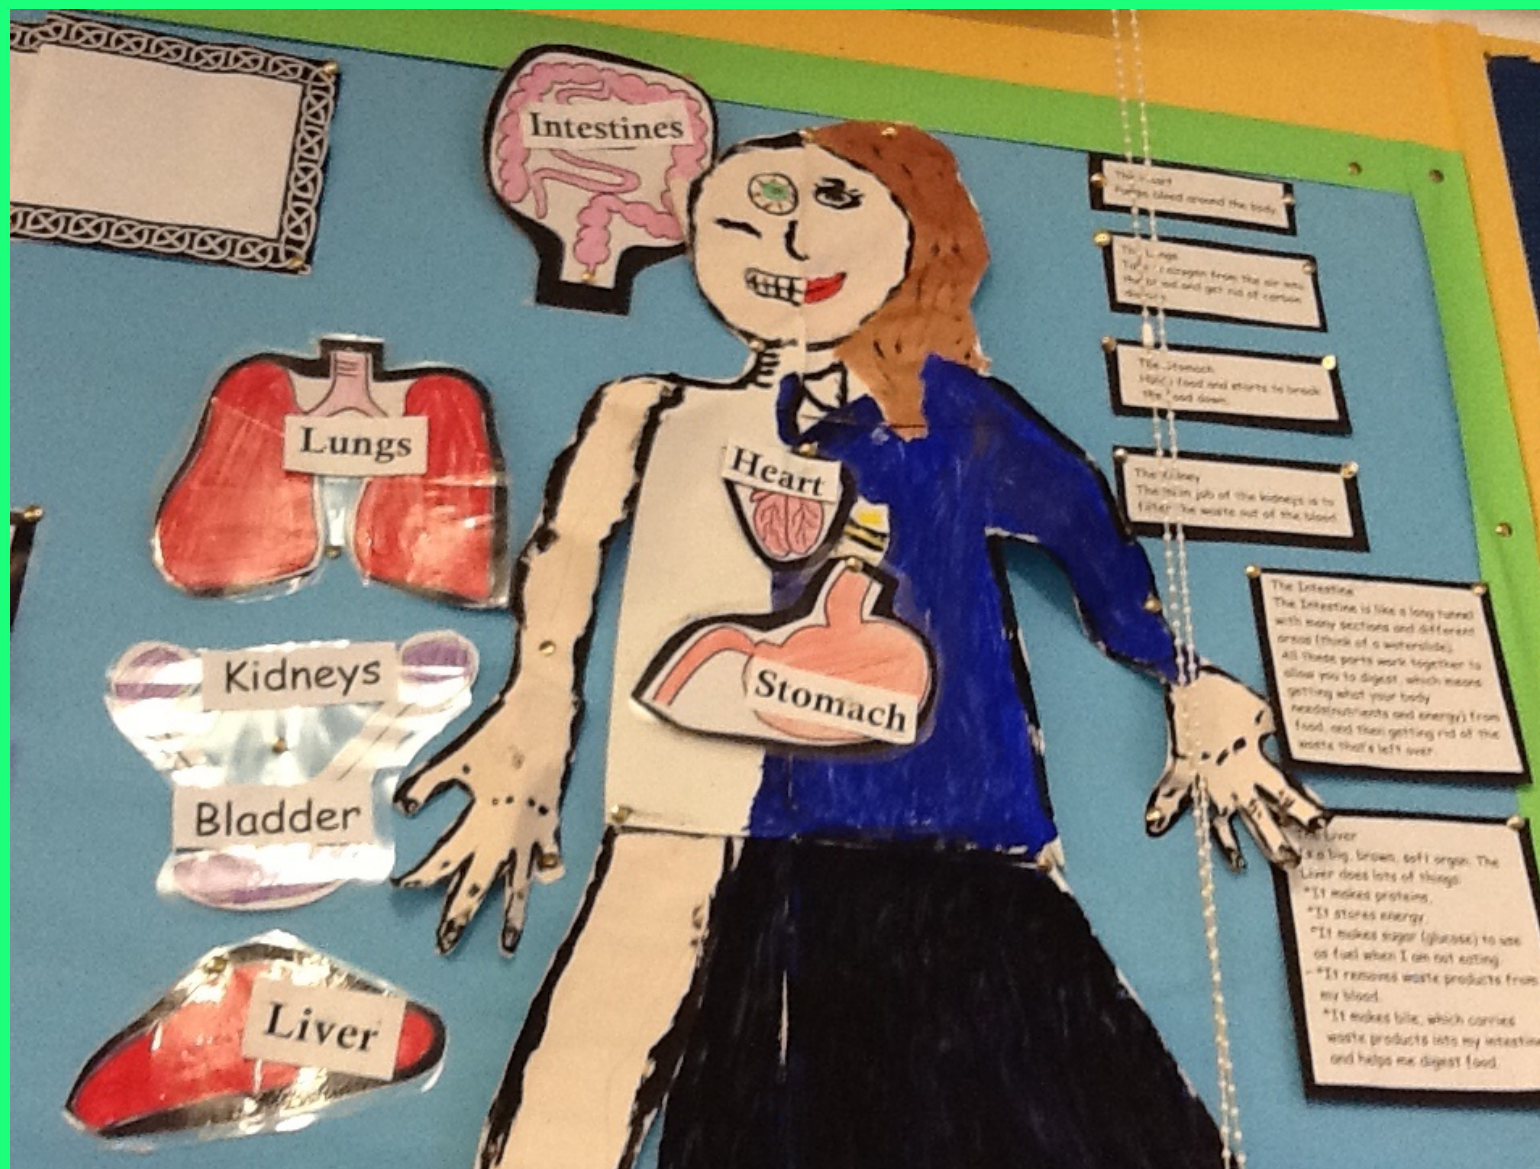

This is what
you get
when you
are sick?
And you
have to get it
because it
will make
you better

This is what
you have to
travel in
when you
are going to
the hospital

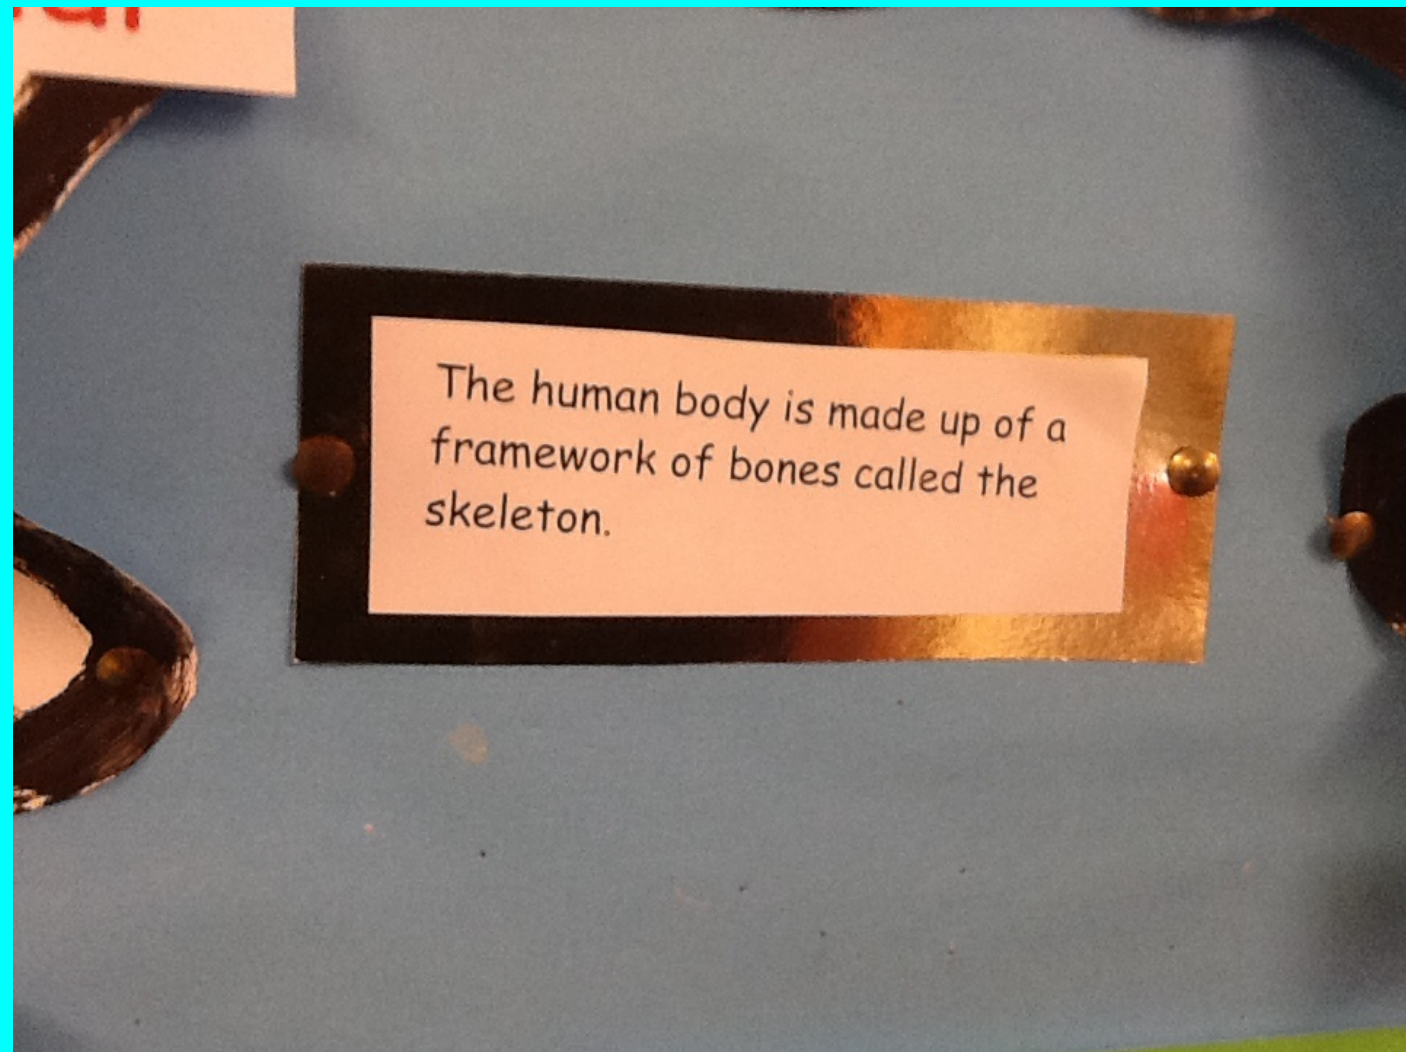

This is some things that are in our body.....

This is your
body in a small
version and
then there is a
human called
cait.....

This is what
your head
looks like.....

The end
