Chapter 1

HI,

I am the big good bear. You are probably wondering why I'm called the big good bear.

Well it was actually only two years ago I was given this name. It started of as a normal day, until I was going to collect apples, when I came across a small cottage. The cottage door was opened so I thought I would go in. The place was a mess that's when it all began.

But let's go back to the beginning
like in all fairytales let's start

Chapter 2
The story begins

ONCE UPON A TIME, there
was a bear out foraging for
apples. He found a curious path
and decided to follow it for a
while, until he came across a
cottage and surprisingly the door
was open, so he thought he would
go in he was met by a lovely smell
and couldn't help himself so he
ate a lot of things like

toast grapes apples cereal and ate
all of the porridge.

He wondered who lived in this
strange cottage, maybe a witch or
another bear. Well whoever lived
here liked pink because there
were pink cushions, pink curtains,
pink chairs, pink pillows and even
a pink floor a ceiling. That's when
he realised it wasn't a witch or a
bear who lived here it was a little
girl and he knew exactly who lived

here it was the.....THREE
GOLDILOCKS. He knew by the
little pink loving girls are always
terrified of bears. Bears don't
like little girls at all they are
always clean and tidy a bear is

Chapter 3

Tidy up time

"Oh goodness me, what a mess I better start tidying before the Goldilock's get back," Mr Bear muttered to himself. So he set off to work. He picked up all the disgusting litter and hovered the floor. He looked at the destroyed sofa. "Oh," gasped the bear, "what a horrible sight." Thankfully he had an idea, "I'll run to my house, go up to my attic and get my spare sofa. I'll bring it back to the Goldilock's house and bingo they will have a lovely sofa again." Thought the selfless bear. So off he went to his house to retrieve the sofa and rushed back to the Goldilock's house. On the way back he picked a bunch of beautiful flowers. After an hour the room was spotless and the selfless bear was very pleased with himself and his work. Unfortunately there were lots more rooms to clean so he set off to work as quick as a flash, into the bed rooms.

CHAPTER 4

The big good bear walked up the stairs very tiredly and eventually he got to the bedroom. It was so messy. That was when he fell asleep, forgetting to clean the room.

When he woke up he had thought he had cleaned the room but it must have been a dream. He still felt very tired and reluctantly got stuck in. Half way doing the job he decided to go down stairs to get a refreshing drink of hot chocolate. All refreshed he then went back up the creaky stairs and finished the job.

Chapter 5

All the goldilocks come back speechless, first they went into the living room and saw a new TV, picture frames mat and Coffee table.
