Chapter 1: Meet the Giants

Hello, I'm Philip the giant, but you can call me Phil. Do you want to hear a story (yesssssssss!)
Ok, then snuggle up.

First there is my wife, Jemima, she is a gem! A truly, lovely person. The town I live in is called Theendvile; it is hidden deep above the clouds. The population is about ten families. My favourite place to go is by far *Fat Sam's Steak House*! It is the best place in the world. It has red walls in the inside with white decorations and produces the most delicious meals. Theendvile has state of the art facilities including the pictures and swimming pools that are placed all over town.

My best friends are Jimmy Giant, Pepsi Giant (who runs *Fast Sam's Steak House* and gives me special offers), and an old time enemy Jack O' Neill (who tried to kill me) but now I realise that he only did it because of my **HUGE** size and my **VERY DEEP VOICE**. But now we are **REALLY** good friends! I love Theendvile and I would not change it for the world, now here comes the story...

Fat Sam's Steak House

Hi I'm Philip

Chapter 2: The lost beans

Jack O' Neil was sitting in his bedroom doing his last minute homework as usual. "Lights out in 5 minutes," called his mum. Jack chewed the end of his pencil nervously trying to remember what $2+2$ was, and then remembered he had a small calculator under the loose floorboard. So he bent over his bed and lifted up the floorboard and to his utter amazement his calculator wasn't there, instead 3 mysterious *beans* were there!!! He reached out to touch them and hesitated, *what if these beans were magic?* Jack thought they were extraordinary and thought that they would be perfect for show and tell tomorrow in school. "JACK! BED! NOW!" screamed mum. So Jack carefully set his beans on the window sill and fell asleep dreaming about the beans. That night there was a lot of wind and rain

and Jack carelessly left the window open and the beans fell out! When Jack awoke the next morning, the beans were gone! "How stupid can I get?" Jack declared miserably, and set off for school. When he was outside, there in the middle of the garden, was a massive beanstalk!!! "Those beans were magic after all!" Jack shouted in delight. He sprinted over to the bean stalk and began to climb.....

Chapter 3: Old Time Friends

When Jack was halfway up the beanstalk that's when he saw me feeding my unicorn." Ahhhhhhhhh", he screamed. Then I said "we got of to a bit of a bad start but id love to be friends". "Let's go and play gianoply". Ok Jack said. When we finished playing gianoply I then asked Jack if he wanted to go to the finest steak house ever he agreed so we set off. When we were nearly there we seen thick, black smoke emerging from where Fat Sam's stood. Jack ran and saved three families from that were eating in Fat Sam's. After all that Jack asked me if I would come to his house, I agreed reluctantly so we set off down the beanstalk.

Chapter 4: Down from the clouds

Halfway down the beanstalk I felt scared and excited. I had never seen what was under these clouds. I often thought that it must be a gorgeous town with a bank, some farms, supermarkets, and a town hall and generally a lovely welcoming town!

When I got down I saw everything in view, it was everything I imagined except better. Jack's mum was really nice. She is called Jenny and she makes the yummiest mini cookies! I swear if I could... Wait where was I? Oh Yes Well Jack brought me to the town, I saw people with lollipops and candy-floss. They looked really nice but boy were they not at first. Everyone started staring and glaring at me like I was a freak!

Chapter 5 - The happy ending

Jack then told me everything would be fine. Three children called Bob, Billy and Barbra came up to me and called me ugly. They then said that I didn't belong in there world.

Then Jack told them you don't even know Phil he's actually kind and generous. None of us has ever even met a giant we just all assume there mean and they eat humans.

Then Jack told me he had an idea. He ran up onto the stage and asked the mane singer of the BOMB DIGIDYS could he say a few words. It was funny because the main singer said "yeah man". I can't remember all the things he said but I remember a few things. He said things like giants are kind and nice. If you just give them a chance I'm sure you will all like them too. Loads of people said they would accept them. Now a day's lot of people come up the beans stalk and visits me. I'm very. I love when Jack comes and visits me here he comes now.
