

Yesterday Granemore camogie players came to our school. The P4 and P5 prefects met them at the gate and gave them a tour around the school. They showed them our P1, P2 and P3 classes. They got to ask questions and get pictures with them. The older classes had to go to assembly and got to ask them questions and get photos. It was very fun to get to know them, through their answers we learnt the importance of training and how to prepare for such a big match. Some of the classes read their poems that they made for them and supporting them for the finals against Ballymacnab.
