Dear *Friends*

I am writing on behalf of Southern Area Hospice Services to thank you for your donation of £625.00, raised through your schools fundraising efforts on our behalf. We are constantly amazed by the help we receive from our loyal and generous supporters.

This year we must raise £2.6 million to continue with our work and we greatly appreciate all that you do to support us and our mission to help local people who need us.

On behalf of those patients and their families who will benefit from hospice care because of your support, I would like to say thank you. We can only care because people like you do, it really is that simple.

Sending you our sincere thanks and very best wishes

Majella Gollogly
Fundraising Manager
